October is National Bullying Prevention Month!

10/10 - National Stop Bullying Day - This is a very important day for us here at GMS.

On National Stop Bullying Day we will recognize that even if you don't see it, there is someone that you've walked by that's been bullied. So, today, if you see someone bullying another person, tell a teacher or your parent/trusted adult. Always be mindful of others feelings and try to see how your words are affecting them from their point of view. How can you celebrate National Stop Bullying Day? Don't be a bully!!!
