## The Pride News...November Edition

The **GMS 1st Annual Fall Fest** was a huge success! Thank you Mrs. Foley, Ms. Gorman, Mrs. Triantafillou and Mrs. DiAntonio for all your help. The kids had a blast with mummy wraps, apple stacking and more! Big thank you to Mr. Lattanzio for the Mad Scientist lab on Halloween day! The kids enjoyed the festive environment and our younger grades got a chance to see what the 8th grade Science Lab is all about.

November holds many activities for the students at **GMS**. We started the month with a Spirit Rally for the upper grades. Thank you to Mrs. Dolson and the Spirit Committee for their help with the program! Wrestling and Basketball are about to kick off, we are looking forward to another exciting season with our basketball teams. Mrs. Horton from our PTO will be running the Book Fair out of the media center this month and Thanksgiving food drives are up and running. That said we want to wish all our **GMS families a Happy Thanksgiving!**

**Student Council Election Videos and Ballots** were announced. Students viewed the videos in class and were given a ballot to vote on Tuesday, 11/7.
